COMPANY PROFILE

www.janaalbehar.com

Jana Al Behar Co. has a long expertise in the field since it was established at 2016 in Iraq by the hands of high experienced team, we started out with a vision to deliver exceptional customer value with a zeal for service. This vision has helped us evolve and expand the business. We have offices located in all the key markets across the world and Iraq enjoy a network of exclusive partnerships in every major city, port and hub.

Our global presence ensures that our customers enjoy a seamless service experience everywhere, every time and in every country.

Jana Al Behar Co. is an operating integrated shipping related services ranging from NVOCC, logistics, shipping, warehousing, international trade consultants, sea, air freight forwarding and customs brokerage among leading custom clearance agents, diversified into logistics, removals, complementary services requiring similar infrastructure and capabilities. These ventures, though established fairly recently, have also turned into viable profit centers contributing to the continued growth of our business while offering excellent service to the respective industries. Making us one of the best integrated Freight Services Solutions companies in Iraq.

We believe in investing in technology that adds value to our customers' experience by building automated processes, increasing efficiency in team-work and a growing a stronger global network.

Evolving each day to meet the dynamic needs of this Service, we have successfully networked ourselves in order to offer quality solutions for even the most complex service demands.

Our action plan is simple - identify customer needs, provide timely solutions, measure customer satisfaction and improve the speed at which services are brought to the customer's workplace.

WHO WE ARE

Jana Al Behar Co. Company headquartered in Basra, Iraq. **Jana Al Behar Co.** has over 700 worldwide agents that we network with that span over 250 locations across six continents. Our services include air and ocean freight consolidation and forwarding, vendor consolidation, customs, cargo insurance, distribution and other value added logistics services.

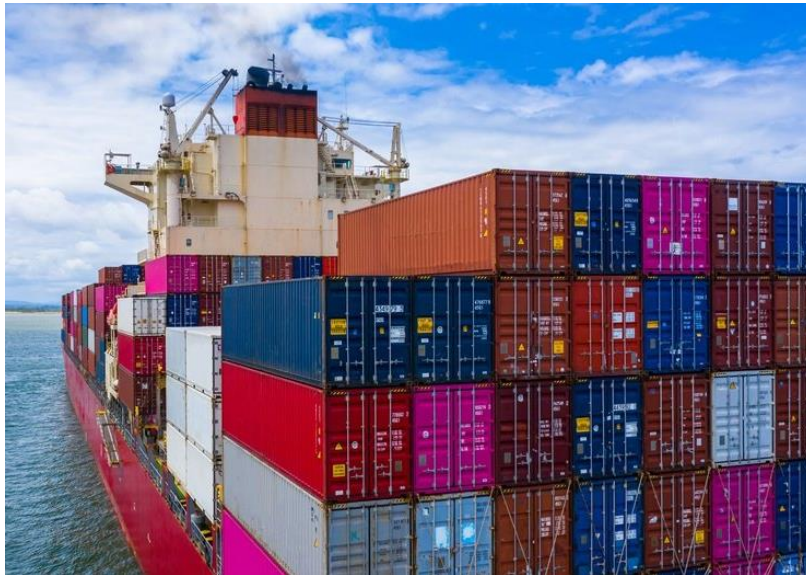

We have considerable flexibility when managing customers' supply chains. Due to our relationships with local suppliers and global air and ocean partners, we can provide customers with the best routing and pricing options. Our comprehensive, flexible spectrum of services is supported by leading-edge information technology that provides high level of visibility.

To maintain consistent quality and customer service across the globe, Freight Services is in constant communication with all vendors to ensure that your shipment is always taken care of.

Jana Al Behar Co. delivers solutions across the supply chain that gives its clients a competitive edge in the management of their supply chain. Its suite of freight forwarding and logistics services, and its deep commitment to its customers' success, are all tenets of the distinct way the company conducts its business within and across borders.

WHY JANA AL BEHAR

Over the years, we have successfully built a name for ourselves in this area.

Currently We provide for all our customers the services that they require under one roof, be in simple freight movements port to port, or managing their complex supply chains. Our resourceful team of logistics professionals, an extensive global network and strong technological backing help us handle even the most discerning customer demands.

Jana Al Behar Co. is much more than getting a piece of freight from one point to another. Logistics is defined as that part of the supply chain process that plans, implements, and controls the efficient, effective flow and storage of goods, services, and related information from the point of origin to the point of consumption in order to meet customers' requirements With Full representation globally.

“ Jana Al Behar Can ship cargo from any place to anywhere in the world. ”

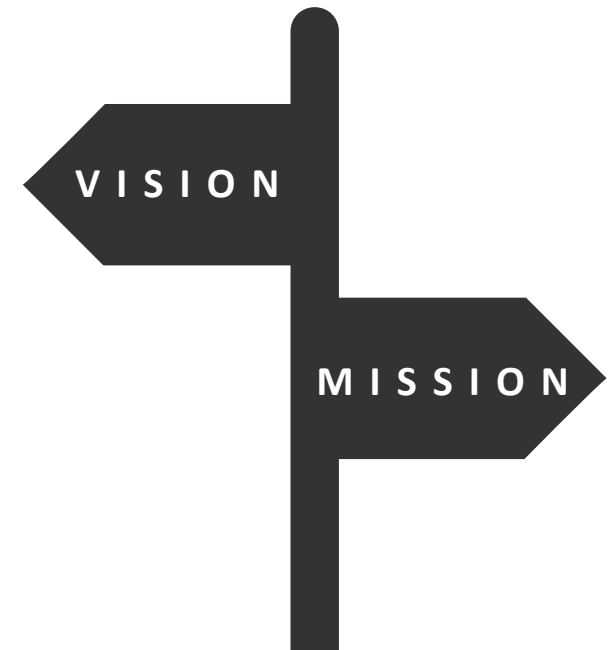

At Jana Al Behar Co., customer experience will always be the heart of our operations. Our approach to work is simple - We strive to achieve excellence for all our customer's needs. Provide timely solutions, measure customer satisfaction and improve the speed at which services are brought to the customer's work place. We strive to achieve excellence for all our customer's needs.

VISION

Jana Al Behar Co. will constantly exceed customer expectations by providing innovative logistics solutions.

MISSION

is to allow our customers to focus on their businesses by making the transportation of their goods easy, fast, and dependable. To do this.

CORE COMPETENCE
